### CHAPLAIN EUMID N. FREEMAN

... has just returned from a year of duty in Vietnam and has been assigned to the same duty that Ardon had at Ft. Polk. Eumid writes, "It is joyous to be back in the good old Brigade here at Fort Polk. It's the one Ardon Schmidt was in before he went to Germany. Ardon said this was a good unit, and I have found this to be true. The Cadre are very fine, and have an appreciation for the Chaplain and his ministry. Ardon certainly left a tremendous reputation behind him. He is very highly esteemed and respected by those who knew him. I have some 'big shoes' to fill. Greet the District brethren for me."

### CHAPLAIN STANLEY N. MILLARD

... sends a victorious report from Fort Benning, Georgia, "We had the 'New Dimensions' put on a religious retreat for our men here in my unit at Fort Benning. Since several of the members are from your District, I thought you would be interested in hearing about them. Our chapel was packed, with 99 extra chairs brought in. The response was enthusiastic. The comment of my battalion commander was, 'Wouldn't this be great in Vietnam!'" For the Sunday evening service, following the 'New Dimensions, we were packed out again. I am constantly aware of our need of support in prayer. In this past month alone approximately 360 men have accepted Christ. Please pray for them and us."

### MISSIONARY AND MRS. PAUL COOPER

... have a new mailing address, although they are still working in Mexico. Address: 1405 Honeysuckle, El Paso, Texas 79925.

### CHAPLAIN ARDON O. SCHMIDT

... was transferred to duty in Germany last Fall. At that time he sent in the following report of his ministry at Fort Polk, La., where he had served for two years: "My two-year tour of duty here at Fort Polk has been very rewarding. I've had over 350 professions of faith in Christ as Saviour since coming here. We started a Sunday night program and averaged around 300 in attendance. We have brought chairs in

and still had men standing. Our highest attendance for Sunday night was 399 in our little chapel.

"Our overall attendance for the Brigade increased, and we have broken our attendance record twice. We have had a total of 1,745 men in all chapel services on Sunday. The most important part of my ministry is to see men born into the Kingdom of God. How thrilling it is to see men come forward by the dozens to accept Christ when the invitation is given and to pray with these men to be saved. Recently a young man asked to see me after Bible Study because he had a problem. He came in, and I said, 'What can I do for you?' He said, 'I want to be saved.' So we prayed and the Lord saved him and he walked out a different man.

"I started the only Bible Study on Post, and it is difficult for the men to come because of the preparation they must make for training. We have had between 40-50 in attendance which is very good. It has been an exciting tour with so many opportunities to work for the Lord. We just thank Him for this ministry.

### RICHMOND FULL GOSPEL TEMPLE

... recently enjoyed a day of special services highlighted by breaking ground in a new location for new church facilities. District Men's Fellowship President, Joe Wright met with the Men's Prayer Fellowship at a 7:30 a.m. service. Assistant Superintendent R. A. Wilson brought a brief message at the ground-breaking service and also preached for the 7:00 p.m. meeting.

Pastor Earl Adamson gave a resume' of developments and future plans for the church and was joined by Contractor Floyd Thornton and the official board members of the church in the turning of the soil.

### D-CAP JIM ARGUE

... recently returned from a special mission in Ecuador and Brazil. Letters have come to us from Missionary Lowell Dowdy and Missionary Bernhard Johnson telling of the great services with Jim. In addition to his preaching ministry, Jim was getting everything worked out for the YMM ministry in Brazil this sum-

### CALVARY COMMUNITY ASSEMBLY

... San Jose, recently broke ground for the construction of their sanctuary. Superintendent Joseph L. Gerhart brought the message of the day and assisted Pastor Jerry Fry and members of the official board in turning the sod.

# ADMINISTRATIVELY SPEAKING

JOSEPH L. GERHART  
District Superintendent

## WHEN YOUR PASTOR RESIGNS . . .

We must stand firm in the knowledge that God is even more concerned with the matter of selecting the right pastor than are the people of the Assembly. In His divine plan for the Assembly, we feel certain that there is a man of His choosing. We must, therefore, seek to find His will. (Many may be able to make a reasonably good success pastoring the local Assembly, but real success will come only when God's choice is the pastor.)

The following edited report from a special Study Committee of the Presbyters was approved and has been in effect for several years.

1. We maintain a list of ministers in the District Office of those who have expressed their desire to be considered as candidates for Pastor in District Assemblies . . . some who are now pastors some who are not. (Each having filed with the Superintendent a biographical data sheet and photo, with pertinent information so that the office can send a photocopy of this to the Assembly requesting assistance.)

2. We try to give preference to ministers of our own District, but most of all we seek to find God's choice. (God may not be concerned over District boundaries.) Out-of-District men are to be advised of this procedure when their letters of application come to the office.

3. The District By-Laws state that before a Pastor leaves his Assembly, he should contact the District Superintendent so that assistance can be given the Assembly in the selection of a pastor.

4. When a Pastor notifies the Superintendent that he is leaving an As-

sembly, the Superintendent should let the Assembly board know, if it is a sovereign Assembly, that he is in a position to help them find a suitable minister when the present Pastor leaves. The Assembly is to be asked to let the District Superintendent know by letter when they would like to receive assistance.

5. When such assistance is asked for from the District Office, these requests will be brought to the daily morning prayer-meeting at the Office asking the Lord to help the District Executive Officers and the Assembly in selecting a Pastor.

6. The three District Executive Officers go before the Lord in prayer and in deliberation endeavor to find on the lists mentioned in Item No. 1 the men whom they feel it would be pleasing to God to recommend to the local Assembly.

It is further suggested that the Assembly Board or Pulpit Committee go over these recommendations from the District Office in a solemn attitude of prayer, selecting one name from the list. They should then invite that candidate to meet them for an interview. If they feel, after this interview, that they would like to invite him to be a guest speaker at the services of the Assembly, then they should do so. It would be helpful if he would speak for a mid-week service, as well as Sunday services. An election by the voting membership should soon follow. If the candidate is not elected as Pastor, the process should be repeated, selecting another for interview, etc.

### SHARON WILSON

. . . tells us in a newsletter that she is still very busy ministering to the sick at the leprosy clinic in Rahama and working in the dispensary. Her great joy is in telling the patients about the Lord Jesus.

Sharon Wilson, Jos, Nigeria—Thanks to Speed-the-Light, she is able to move quickly to the most remote areas with her dispensary supplies and equipment

Miss Wilson holding little twins that she has helped care for and given medical treatment

Sharon's co-worker, Doris, goes home in March. She requests prayer that her new co-worker, Hilda Palenius, will be able to secure her visa from London to Nigeria. It is important for her to get accustomed to the work there before Sharon leaves for her furlough in September.

### TRIPLE SPEED-THE-LIGHT RECORD !

Congratulations to the two-hundred thirty-one churches throughout our district who played an important part in establishing three new Speed-the-Light records.

First, the number of churches giving \$1,000 or more to Speed-the-Light during a year has increased from seven in 1967 to twenty-five in 1969.

Second, in the national standings we have moved from fourth position, where we were for many years, to third place in the nation; bypassing the Arkansas district.

Third, we have hit an all-time high in STL giving of \$73,241.17. We are on the move in STL missionary giving and it is totally due to the vision and interest of the 231 churches who have arisen to the challenge.

The following churches gave at least \$1,000 (or more) to Speed-the-Light during 1969:

Sacramento, Bethel Temple	3,130.17
Stockton, Calvary Tabernacle	2,335.00

... as Chairman of the Japan Field, has been especially challenged by the unreached areas of Japan. Statistics are staggering—there are over 180 counties with an average population of 50,000 people each, and 20 cities that still have no church. To meet this challenge, a Seminar on Evangelism-of-Unreached-Areas was conducted in Hayama, near Yokohama in January. There, plans were laid to try to reach all Japan with the Gospel and to conserve the results. Pray for them as this new thrust is launched.

**SEABERGS APPOINTED**

For many years the Paul Seabergs have been interested in missionary work. In November they were approved by the Foreign Missions Board for African service. They will be going to Koindu, Sierra Leone which is a relatively young work in the very easternmost part of the country, not far from the Liberian and Guiana borders. They are being sent to work in the Bible School, with the training of the native ministry especially.

Paul and Jewyl Seaberg are well known in this District. They have pastored in West Sacramento and more recently he has been assistant pastor in Sunnyvale where he was also principal of the Christian Day School.

The Seabergs began active itineration in February and are available for conventions as well as individual services. They may be contacted at 757 Remington Dr., Sunnyvale, Ca. 94087, Dial 408-245-8341

## IN MEMORIAM

Once again we report the passing of three of our fellow-soldiers of the cross.

*Pastor H. D. Dodson*, Rodeo, California, suffered a fatal heart attack on January 24. The funeral service was conducted at the Rodeo Assembly with Rev. Joseph L. Gerhart officiating.

*Dr. Henry H. Ness*, one of the stalwarts of the Assemblies of God, passed away in his home in Seattle. The service was held at Calvary Temple with Pastor Marcus Gaston officiating.

*Mrs. Pearl Parker*, widow of the late Rev. Charles Parker, went to be with the Lord recently.

Although we know that for these dear friends it is 'far better to be with the Lord,' we also know that there is sorrow and a deep sense of loss to the members of the families. We offer them our sincere prayers and heartfelt sympathy. May God give comfort and solace.

From Nevada: Charlotte and Sharon Wingerd, Las Vegas.

# ✿ Honoring Parents ✿

"Don't let the world around you squeeze you into its own mold" (Rom. 12:2, Phillips). For the Christian young person, refusal to fit into the world's mold is difficult and challenging. One of the most important—and most often overlooked—ways for a Christian young person to be different is in his attitude toward his parents. In contemporary society, obeying and respecting parents is out, and "doing your own thing"—regardless of what anyone else may think—is in.

Both the Old and the New Testament make it clear that part of obedience to God is obedience to parents. One of the commandments of the Decalogue deals specifically with this issue, and that commandment is repeated in the New Testament. Paul says to children, "The right thing for you to do is to obey your parents as those whom the Lord has set over you" (Eph. 6:1, Phillips).

Paul bases this exhortation on a specific command from God himself. He does not suggest obedience simply as a pragmatic appropriation of the wisdom of parents, nor does he recommend it only as an expression of love for parents. He states that children should obey *because it is right*; it is the clearly revealed will of God.

Paul has in mind the young person who finds himself in a Christian home, and so he calls for obedience "in the Lord." He is not asking young people to follow the

guidance of parents who deliberately oppose the will of God for their children. But the general principle is that parents are a God-ordained authority and are to be obeyed.

Although this obedience is not optional, it is not represented as a grudging, resentful yielding to an oppressive power. It is the outgrowth of honor and respect and love for those who have first demonstrated their love for their children. There is no doubt that some children question with some validity whether their parents are worthy of honor. And parents are faced with a grave responsibility to their children. But Christian young people must beware lest in criticizing the "hypocrisy" of parents they reveal their own hypocrisy by ignoring God in their attitude toward parents while they busy themselves doing "important" things for God.

It is folly to ignore God's commands, and this is especially true in the case of the command to honor father and mother. Society suffers when parental authority breaks down. The Christian young person who refuses the will of God at this point can hardly expect the blessing of God in other areas. And perhaps saddest of all is the fact that often Christian young people have been a hindrance to unsaved parents because they have failed to take their Christianity into the home. □

## HENSON CENTER DEDICATED

A new multi-purpose youth center has been named in honor of the Rev. Clyde A. Henson, who for the past 18 years has served as pastor of Bethel Temple, Sacramento, California. This latest addition to the Bethel Temple complex was named Henson Center by action of the voting membership in a recent church business meeting.

Henson Center is a 250,000 dollar structure housing a gymnasium, youth restaurant and classroom facilities. All organizations of the church will use the 18,000 square foot building. Carpeted throughout, Henson Center will also be used for various religious conventions coming to Sacramento. The first of these conventions will be when the National Association of Evangelicals will use Henson Center in March, 1970.

Pastor Clyde A. Henson, was called to Sacramento in 1951 after having pastored in La Mesa, Ventura, and Coalinga, California. He

had also served as an evangelist and camp meeting speaker for several years. While in Sacramento, Pastor Henson began a world-wide radio broadcast which continued for 10 years.

Moving into television, Pastor Henson presented a weekly 30 minute religious broadcast, "Our Story," which achieved high ratings. Four times he was given the "Outstanding Local Program" award by Sacramento's CBS affiliate. In addition he was presented the "Finest Religious Program" award for his television ministry. "Our Story" was the first religious program on television on the west coast.

Speaking of the new Youth Center, Pastor Henson expressed his deepest appreciation in having it named in his honor. He said one of the great burdens of his heart is youth and his dream was to build such a center to help young people find God. There are some 240 active teenagers in Bethel Temple.

Dedication ceremonies for Henson Center were held December 7. The Wm. Vickery, Secretary of the Northern California-Nevada District was featured speaker with special singers, the Weatherford Quartet and the Latinos, a Latin Assemblies of God group. Youth Pastor, Dick Eastman presented an oil painting of Pastor Henson from the teenagers of the church.

Pastor Henson has been active nationally with the Assemblies of God, having served in the National Foreign Missions Board and the National Radio-Television Committee. He has also served as a district presbyter and District Non-Resident Executive Presbyter. The plaque honoring Pastor Henson says:

"Only a life - But the work  
it wrought  
Could never by tongue or pen  
be taught  
For it ran through lives  
like a thread of gold,  
And the life bore fruit  
a hundred fold."

#### E.A. WILSON RECEIVES DOCTORATE

Rev. Everett A. Wilson, Chairman of the Division of Social and Natural Sciences at Bethany Bible College, has received the Doctor of Philosophy degree in Latin American History from Stanford University. Dr. Wilson has been on Bethany's faculty since 1959 and has taught in the areas of history, government, and missions.

A graduate of Bethany Bible College, Dr. Wilson spent several years in pastoral ministry in Oakland, Woodland, and Roseville. He received a B.A. in history from Sacramento State College and a M.A. in Latin American History from the University of California at Berkeley.

Without question, the Ph.D. program at Stanford University is recognized as one of the most difficult

and thorough in the nation. Dr. Wilson specialized in Central American economic development and political change. To do the necessary research he spent a year on sabbatical leave from Bethany to study in the National Archives of El Salvador. Dr. Wilson received funds for the expedition from the History and Latin American Studies Departments of Stanford.

While in El Salvador, Dr. Wilson served as an instructor of junior college students in the Christian school operated by missionary John Bueno. As well, he traveled to all of the Latin American countries and Panama during the sabbatical leave.

Dr. Wilson, his wife Lois, and children Alan, Annette, and Kristi reside on Bethany's campus in Bethany Park.

HIGH SCHOOL JUNIORS AND SENIORS — PASTORS AND YOUTH PASTORS INVITED

### MRS. MAYBELLE KERNER

... is the Director of THE GOLDEN AGE GROUP of Stockton which was organized at Calvary Tabernacle, April 20, 1963 with 35 present.

The group, now numbering 150, is composed of Seniors 50 years of age and older. There are several members over 90 years of age. The group is Christ-centered and non-denominational. There are members from several different church backgrounds and some who have no church. The chief goal is to win all for Christ.

"OUR TASK. . . 'Building a Happier Tomorrow' by reaching and cheering those isolated, forgotten, neglected; those in rest homes, hospitals or confined at home. We try to meet the real need for each individual through various projects and activities. We give them encouragement, approval, recognition and make them feel needed, wanted, and as being a part of something. We give them opportunity to be useful with interests of their liking. We make them feel we are vitally and sincerely interested and want to help with friendship, understanding and hope. We use the skills and services of the older people, emphasizing volunteer service. We endeavor to help them to be interested in

others and less in themselves; to seek a self-giving love, rather than self-seeking love.

"ACTIVITIES. . . During the summer we have boat cruises, tours and picnics. Other seasons we have pot-luck dinners, a Hobby-Day when everyone displays his hobby or tells of his particular interest. Once a year we have 'Freedom Day' in February when everyone may participate and contribute what he chooses for the program. We have a monthly business meeting beginning with prayer, followed by singspiration, recognition of birthdays of the month, introduction of visitors and reports. The meeting is concluded with a carefully planned program geared to the interests of the group, followed by a guest speaker, a time of fellowship and refreshment. We visit the shut-ins, counsel and have prayer groups. We send greetings to the sick and on birthdays. We pray much for each service and each member and God has saved several through their contact with the Golden Age Group.

"THE CHALLENGE is great but it is gratifying. Pray for this work. I wish we had a similar group in every church, reaching out beyond the local church, contacting the lonely and those who do not hear the Gos-

pel that they might learn to know Christ whom to know is life eternal. So many are nearing the end of their journey unprepared.

"So we labor to build with others today for a happier tomorrow."

—reported by Mrs. Kerner, Director

## VALLEJO DEDICATION

Over 1500 people attended the multiple Dedication Services for the First Assembly of God Church in Vallejo, California on Sunday, January 11. Reverend Joseph Gerhart, former pastor (1947-1953) and District Superintendent of Northern California and Nevada District was the speaker for the formal dedication service.

A Dedication Week Crusade was also conducted beginning on January 4th through the Day of Dedication with Evangelist Watson Argue. Special musical guests included the former Miss California-1967, Alexa Clark, and the Bethany College Concert Choir.

Located on a 6½ acre site overlooking the entire city, this first phase of a master plan includes three buildings totaling 15,000 sq. feet of floor space. The worship center is beautifully constructed in Mediterranean design with an open reverse beam interior to accent the plunging lines of the roof. A 50-foot high cross centered on the roof fully illuminated is visible throughout the city at night. A two story educational center will accommodate 800 for Christian Education and Recreation-Fellowship purposes. An Administration Center provides offices for the pastor, Christian Education Director, Youth Director, Music Director and receptionist lobby with two separate work rooms. Closed circuit television is installed throughout the buildings and professional television equipment has been donated for video taping for telecasting of church services and Half Hour Specials.

The buildings and property are worth at least \$300,000.00. The property was purchased under the visionary leadership of Paul Trulin who pastored the church from 1953 to 1957. Larry Bottroff who served the congregation from 1961 till August 1969 directed the congregation in the majority of the actual construction. In the last 4 months under the new leadership of Ronald C. Haus, 134 decisions for Christ have been made and numerous denominational people have received the fullness of the Spirit. There are 19 different denominations represented in the church. Two Sunday morning services are now being conducted due to capacity crowds and two Sunday night services are scheduled to begin on Easter Sunday night.

Construction of the master sanctuary and a gymnasium is planned for the near future.
